PROFESSIONAL EXPERIENCE

CarMax Auto Finance

Atlanta, GA

Sr. Data Analyst (Servicing Analytics)

Mar. 2023 – present

- Spearhead the analytics strategy for a major web transformation initiative, defining KPIs to measure ROI; successful implementation led to a \$10M+ increase in digital self-service payments and reduced call volume
- Design and maintain executive-level Tableau dashboards to monitor portfolio health, identifying emerging trends in delinquency that informed policy changes for high-risk accounts
- Mentor and train new hires and junior analysts on SQL best practices and data visualization techniques

Data Analyst (Servicing Analytics)

Jan. 2022 – Mar. 2023

- Engineered complex SQL queries to extract data and aggregate business reports, reducing manual reporting overhead by ~250 hours annually via PowerBI
- Developed comprehensive monthly portfolio performance reports to provide visibility into account curing rates and extension eligibility via Tableau
- Conducted deep-dive analyses for Tier 3 Portfolio and implemented cost-saving business strategies

DecisionLink Corporation

Atlanta, GA

Data Science Intern

May 2021 – Jul. 2021

- Analyzed data using SQL and Snowflake to gain insight into various business cases
- Utilized Watson Studio to leverage its AI capabilities to analyze big data and explore hidden variables

Hydronix Water Technology

Rancho Cucamonga, CA

Jr. Web Developer

Jul. 2019 – Jul. 2020

- Maintained, updated, and monitored hosted websites and managed site security
- Designed, tested, and implemented custom website pages and applications
- Configured and designed e-commerce websites in Magento, Wordpress, and Shopify

Merchant e-Solutions

Atlanta, GA

Software Engineering Intern (Testing/QA)

May 2018 – Aug. 2018

- Completed automated regression suite on a web-based e-commerce portal allowing merchants to process payments for their customers and reduced execution time in running 110+ test cases
- Created and updated test cases for portal using Selenium and TestNG to ensure product quality

SPORTS ANALYTICS EXPERIENCE

Georgia Tech Volleyball

Atlanta, GA

Technical Consultant (Seasonal)

Aug. 2025 – present

Statistician / Analyst (Seasonal)

Aug. 2022 – Dec. 2022

Data Analyst / Student Manager

Feb. 2021 – Dec. 2021

- Leverage VolleyStation and VolleyMetrics to generate live stats, scouting reports, and film analysis
- Support coaching staff with daily practice logistics and operational execution.

Atlanta Vibe Volleyball (Pro Volleyball Federation)

Atlanta, GA

Data Analyst (Seasonal)

Jan. 2024 – May 2025

- Created advanced scouting reports with VolleyStation and spreadsheets for in-game and post-game
- Analyzed game film and prepared for upcoming opponents via breakdowns and analysis
